Club Activities

Monthly Meetings

The Point Loma Garden Club hosts local, national and international speakers at each meeting including member-provided refreshments and brunch. Meetings are held at the Portuguese Hall, a full service community meeting and event space.

Workshops

Educational, entertaining and hands-on workshops are held throughout the year. Occasionally a small fee is charged to cover materials expenses.

Annual Plant Sale & Ye Olde Garden Shoppe

Our club hosts an **annual plant sale** featuring varied and unusual plants propagated by our members. In some years our club hosts a free community flower show. Master Gardeners, art, and educational exhibits are often included with these events.

Holiday Tea & Bazaar

Holiday decorations, crafts and homemade delectables are for sale, created by PLGC members. Come find the perfect table centerpieces, wreaths, and swags for your home as well as gifts for family and friends.

Field Trips

Club members plan and participate in an annual bus tour and field trips. The annual trip is a day tour to regional growers and gardens.
