## PRESIDENT’S MESSAGE

**Happy Holidays**  
 “Every year at just this time,  
 In cold and dark December,  
 Families around the world,  
 All gather to remember,  
 With presents and with parties,  
 With feasting and with fun,  
 Customs and traditions  
 For people old and young”  
 Helen H. Moore

I hope you will come and enjoy our annual **Holiday Social on December 8<sup>th</sup>**. This will be an intimate gathering for just our members. Shop for Christmas and the Holidays and enjoy tea and goodies with your friends in the garden club. This will be a memorable event. Many thanks to the Holiday Social Committee, chaired by Sherry Hebert, Kathleen Honeysett, Jill West, and their many Santa’s elves for making our get-together special. In the spirit of the Holidays, I want to thank all of you who contributed to the annual food drive. The Salvation Army sends their grateful thanks for sharing with the less fortunate. We are looking forward to a new year filled with more activities, workshops and fun possibilities for gardening and learning with friends. In ancient times, both Druids and Romans hung sprigs of mistletoe in their homes and places of celebration to bring good fortune, peace, and love. This is my wish for you during the Holidays and all year: Peace, love, kindness, and good health. May you enjoy the Special JOY of this year in particular, now that we can gather with friends and family, and many good wishes for the New Year.

Happy Holidays,  
 Jane Clifton, President

## **Holiday Social Food**

At the meeting on November 10, we were very pleased to have more than 50 members sign up to attend the gala and gorgeous Holiday Social on Wednesday, December 8 from 10-12 at SES Hall. If you were not at the meeting and missed the opportunity to RSVP, it's certainly not too late.

Though this event will be a PLGC members only party for the first time in many years, as usual there will be an opportunity to shop for special Holiday decor and gifts, sip tea or coffee, eat delectable finger foods, socialize and CELEBRATE your membership in this vital and energetic group of gardeners. We'd love to have you join us on December 8 so send Jill West an email to let her know you're coming ASAP. Also, if you'd like to provide a plate of a dozen or so either sweet or savory finger foods, include that information, too. And please put your name on the bottom of that plate. Looking forward to celebrating with you on December 8!

Jill West

## HORTICULTURAL TABLE

Due to the Holiday Tea and Bazaar on December 8th there will NOT be a Horticultural Table display at our December meeting. That will give us more time to prepare to bring in something extra special to show at our January 12th meeting. Who might have a plant that is blooming in January? We will have to wait and see.

At our November meeting Judy Pack brought in a Crassula that was planted in the same pot with a special Russelia equisetiformis. Maureen McGrath displayed her pink blooming Christmas cactus and Jan Thoresen also showed off her similar white blooming Schlumbergera. Dan Dennison found an old candle lantern and planted both a staghorn fern (*Platycerium bifurcatum*) along with a Boston fern (*Nephrolepis exaltation*). Who knows what Dan might bring in next? Special thanks to Bob Pels for staffing and photographing the Horticultural Table in November.
